NEWSLETTER

SEPTEMBER 2025

Welcome all to our newsletter which is always available for download via the website <https://alabardassc.au>

After our AGM held August last month, we're now back into the swing of having our regular various functions every 3 – 4 weeks, a list of these functions are noted on our events calendar. This is a good time to remind everyone that all are welcome to attend our functions. So, if you're thinking of participating, please refer to our website for all contact details.

Of interest: we are mentioned on the Bocce Federation website as one of the first Clubs to join the Federation in 1978, they were the Fogolar Furlan Club, Veneto Club, Molinara Club and the Alabarda Club.

An article I've written has been posted on the Adelaide AZ website, under the 'sport-multicultural' section, regarding basketball history of our club, it's humble beginnings in Adelaide, the connection to other sport clubs and the wider multicultural community, which might also be an interesting read.

FUTURE SPECIAL EVENTS

Next year our club will celebrate its 70th anniversary since being established on 18 November 1956. An auspicious event will be held to celebrate this historical occasion.

A special mention must go to our founding members (listed on our website) who created a club that is still going and will next year celebrate its 70 years of existence, AMAZING!

We hope to see many members and of course non-members attending this occasion.

We'll provide full details next year as we move closer to this celebratory event and we'll keep you all informed. Note: it will probably be held in November 2026 but date yet to be advised.
